# NBA Guest Coaches and Players

[www.abnbasket.com](http://www.abnbasket.com)

NBA guests put the marketing to another level. If 150 players attend your camp, research shows that marketing an NBA player for the next year will bring a minimum of 75 more participants.

The math is simple.  
 $75 \times \$200 = \$15000$  income  
The cost is less than this.
